Office of the Food Controller and Director of
Civil Supplies in Mysore. Bangalore.

Read:--

Reports of verification of stock of food grains etc., as they stood on the 1st April 1920 received from the Provincial Grain Depot Bangalore, City Municipal Depots of Bangalore and Mysore and from the 44 depots in the several Districts.

OFFICIAL MEMORANDUM.

No. 5010-20 Dated 18th April 1920.

1. The Deputy Commissioner Mysore states that there are no depots working in his District. The Deputy Commissioner Hassan states that there are no stocks of food grains in any of the depots in his district and that the only stocks consist of a few hundreds of empty gunnies in the depots at Arkalgud, Arsikere, Hole Narasipur, Channarayannarayapatna and Belur. But from the verification report sent by the Amildar of Channarayapatna, it is seen that ther are 30 seers of ragi in stock in the depot in addition to the 603 empty gunnies. Steps may be taken to see that the empty gunnies as well as the ragi are disposed of as early as possible.

2. The reports relating to the undermentioned depots were received long after the due date viz., the 5th instant.

1. Devanhalli, 2. Closept, 3. Magadi, 4. Anekal, 5. Hosakote, 6. Nelamangala, 7. Kankanhalli, 8. Kolar, 9. Malur 10. Turuvekere, and 11. Sagar

3. In spite of repeated communications to the Deputy Commissioners of Districts, the officers in charge of the depots at (1) Sidlaghatta (2) Holalkere (3) Kadur (4) Chickmagalur (5) Koppa (6) Tarikere and (7) Sorab have not sent in the reports as yet.

4. The reports of the Doddaballapur and Mudagere depots were ıot sent in the prescribed form while the statement received from ,he Koratagere depot is incomplete and inccurate.

5. In the report pertaining to the Malur Depot, the verified ;tock is not noted. The value of stock has been omitted to be ;hown in the reports of the Mulbagal, Tumkur, Doddaballapur, Kan-ĸanhalli and Channarayapatna depots.

6. In addition to the verified stock of 674 pallas 44 seers of whole rice and 146 pallas 70 seers of broken rice, there appear to have been 5 unmeasured bags of the latter sort in the Mulbagal depot. It is not understood why these bags are left unmeasured so long.

7. The stock of rice available in the Depots at Doddaballapu and Kankanhalli, has been shown in bags instead of the verified quantity being shown in pallas.

8. From the verification reports so far received in this office it is seen that the stocks of rice and broken rice in the several depots in the State on the 1st April 1920 amounted to 24,070 pallas and 3352 pallas respectively. The probable value of these grains and that of the 34,176 empty gunnies comes to Rs 5,51,872 as per details furnished in the enclosed consolidated statement. The Provincial Grain Depot Bangalore holds stocks wor a litte over two and a half lakhs of rupees. As regards stocks in other depots in districts it is seen that the Kolar district had the largest stock the value of it being Rs 1,46,563.

9. The condition of the grains has not been noted in several of the reports. It is however reported by the marginally noted Depot Officers that the rice they have in stock is attacked by

1. Chickballapur.
2. Goribidanur.
3. Malur.
4. Narasimharajpura.
5. Sorab.

by weevils and consequently very much deteriorated. In the depots noted below the following quantities of spoiled rice unfit for human consumption are reported to be available:--

(1) Mulbagal	1 bag.	(4) District Depot Tumkur		12 bags
(2) Magadi	1-69	(5) do	do Shimoga	460 seers.
(3) Bowringpet	18-53	(6) Honnali		1 bag.

Necessary early steps may be taken for the disposal of these stocks as per instructions issued in this behalf from time to time .

10. As the verifiction of the stocks of gunnies has not been completely done in the Provincial Grain Depot Bangalore and in the Municipal Depot Bangalore, the Officers in charge of these depots are requested to have the same completed and report the result of verification without any further delay.

11. Out of the 238 empty gunnies brought on the stock account in the Hole Narasipur taluk depot, 167 bags are said to have been lent to the villagers and steps reported to have been taken to recover the cost from them at Rs 40/- per 100. The circumstances which necessitated the issue of these bags in advance may be intemated.

Civil Supplies in Mysore.
